## MCCHESNEY DEFEATS SOMBRERO.

McChesney showed his true mettle yesterday at Worth when he met Sombrero, one of the best of the three-year-olds that has performed in the east this year. He beat the Morris colt in hollow fashion leading all the way and winning as his rider pleased by one length. Coburn made a desperate effort to close up on McChesney in the last quarter but gave it up as a hopeless task by the time the last sixteenth post was reached. At no part of the race did Sombrero appear to have a chance and it was patent to all present that Sombrero was doomed to defeat long before the head of the stretch was reached. McChesney was always a decided favorite being held at 2 to 5 in the betting at post time.

The fifth race, a dash of one and one eighth miles for three-year-olds and upward, was taken by that high class three-year-old Lucien Appleby, on which Buchanan put up an almost faultless ride. Scarlet Lily, showing much speed, led for a little over six furlongs, where Pink Coat, which had always ran within easy call, shot to the front and appeared the winner when turning for home, but at the last sixteenth post Buchanan brought up Lucien Appleby next to the inside rail and he easily wore down Pink Coat, beating him to the wire by one length. Homestead finished third, one length back of Pink Coat. The latter, although he ran well, is nowhere near the good horse he was last year and tired palpably when challenged by the winner. Scarlet Lily faltered perceptibly when the pinch came and was outstayed by Homestead in the closing strides for third place. The latter got his nose in front in the last stride. Homestead ran an impressive race and bears watching from now on. Flying Torpedo finished strongly. He is at his best just now and will be a hard horse to beat over a muddy track. Felix Bard stood a long stretch drive with game-ness and was right there at the finish.

The first race of the day, a six furlongs scramble for two-year-olds, was won by Arvensis by the narrowest of margins. Vestia, off well, showed the way until well straightened for home, where Arvensis assumed command, but in the last sixteenth was joined by Capable, the two fighting it out hard to the wire. Arvensis won by a nose, Capable beating Banter a half length for second place. Capable was undoubtedly the best and with any kind of racing luck would have won. He began slowly and appeared to have little chance in the first quarter, but made up ground thereafter and finished with great speed. Banter came with a rush at the end. Vestia tired fast when the pinch came. L'Amanda ran a good race and is worthy of consideration from now on.

The second race, a dash of seven furlongs for three-year-olds and upward, proved an easy thing for Mac Gyle, long overdue. He ran to his best form, displayed much speed and really made his field look common. He led all the way, winning by two lengths from Annie Thompson, which beat Silurian one for second place. Annie Thompson displayed speed throughout and was much the best of the others. Silurian and Silver Fizz fought it out spiritedly all through the last sixteenth for third place, the former prevailing by a head. Eva Rice had no chance from where she got off. Queen of Dixiana showed speed, but tired fast in the last quarter.

Leviathan was supposed to have an easy thing of it in the third race, a dash of one mile and one-sixteenth for three-year-olds, but had to be driven out to the last furlong to beat the light weighted Chickadee. Leviathan led by a good margin until at the last sixteenth post where Chickadee closed up fast on him, the two fighting it out desperately to the wire. Leviathan won by a nose, Chickadee beating Wing Dance three and a half lengths for second place. Wing Dance tired rapidly in the last sixteenth struggle. Count 'Em Out ran an unaccountably bad race and was never a serious factor. Meme Wastell showed a little early speed.

One of the closest and most exciting finishes of the meeting occurred in the fifth race, a six furlongs handicap for all ages. St. Cuthbert won by a nose from Money Muss, which beat Waswift the same distance for second place. Money Muss led until in the last twenty yards, where St. Cuthbert and Waswift closed up on him fast. Buchanan rode a spirited finish on the winner, fairly throwing him under the wire. Waswift stood a long stretch drive in race horse fashion and responded with game-ness in the closing strides. L'Etranne met with early entanglement and had no chance by the time she got into her stride. Federal showed a little early speed. The race should do him much good, as he had not started in a long time.

The last race of the day, a dash of one mile and seventy yards for four-year-olds and upward, was easily won by Western Duke. First Cherries and then King Barleycorn led, the latter turning into the final quarter slightly in front, but when well straightened for home Western Duke easily assumed command, winning by a length from Beana, which beat The Caxton two and a half for second place.

The day was ideal for racing purposes and the splendid card drew out the largest crowd of the week. A better day's sport has not been seen hereabouts in some time. The betting was spirited and probably the heaviest of the meeting thus far. The track was in good condition, and in case no rain falls today will be fast.

## LOCAL TURF GOSSIP.

Jockey Coburn stated, after he dismounted from Sombrero, that the horse faltered as if not quite fit. His statement was in part sustained by G. B. Morris, the owner of the horse, who said after the race that, although he did not want to dim McChesney's victory or take any merit away from the western crack, he was convinced that Sombrero was not up to a bruising race and by many pounds below his true form.

John W. Schorr purchased yesterday on private terms the horses C. B. Campbell and Leviathan. The latter ran and won the third race for his new owner. Both horses will remain at Worth for several days and then be shipped to join the remainder of Mr. Schorr's string which at present is being rested at Memphis before being shipped to New Orleans.

Secretary James Howard, of the Washington Park Jockey Club, and a party of friends were among those who went out to Worth yesterday to see the contest for supremacy between Sombrero and McChesney decided.

Presiding Judge Joe Murphy, who was the chief official at the Butte meeting the past summer was among the spectators at Worth yesterday.

Starter J. Holtman will leave tonight for Iowa, where he intends to visit friends before going on to Latonia, where he will do the starting the first part of the meeting.

It was announced yesterday that a purse of \$5,000 would be offered by the Worth Jockey Club for a race between McChesney and the eastern three-year-old crack Hermis.

Durnell & Herz are reported to have bet \$10,000 on McChesney.

Jockey Bullman, who recently had his license revoked by The Jockey Club, was a visitor at Worth yesterday. The rider is on his way to California where he intends to spend the winter. Bullman stated that he had signed a contract to ride for John W. Schorr during 1903, conditionally that his license for next year is granted.

A handsome floral wreath was presented to jockey Buchanan and placed around his shoulders after he had pulled up and returned to the stand. Several photographers requested the rider to not dismount until they had taken snap shots at the horse and rider. Buchanan's willingness came near proving disastrous, as McChesney became frightened when his groom attempted to remove his blinkers

Winner—B. h., by Dutch Roller—Valetta (trained by J. A. Kyle).  
Went to post at 2:00. At post 1 minute. Start good. Won easily; second driving. Marylander took the lead when Cock Robin fell and outjumped the others decisively. Decameron fell away in the run down the hill, but came on again when on the flat stretch at the end. R. B. Sack was a prominent contender almost throughout, but was tiring badly in the stretch. The others were badly strung out. Cock Robin seemed a sure winner when he struck the tenth jump.

Went to post at 2:30. At post 7 minutes. Start good. Won easily; second easily. River Pirate practically forced the pace from the start and drew clear cantering on the level stretch was under restraint at the end and much the best. Sevoy, badly ridden, closed up with a rush and ran a cracking good race. Sparkle Esher, away badly and unlucky as usual, came from a long way back in the last furlong. Belle of Lexington was rushed into prominence in the first half from a poor start and tired in the final drive. Schoharie showed good early speed. Ondurdis ran a bad race. Guess Work was a contender when a furlong out. Navasota showed speed but is evidently a nonstayer.

Scratched—35620 Clarita, 114; (35329) Trinity Bell, 102; 35695 Meistersinger, 100; 33634 Evelyn Maud, 97; 3644 Invincible, 96.

Went to post at 3:00. At post 2 minutes. Start good. Won easily; second handily. Rossignol was reserved for five furlongs, then made good with a brilliant stretch run and was best and is genuinely improved on this track. Lady Sterling, away poorly and pocketed to the stretch when with clear sailing, finished fast. Huntressa, driven into an early lead from a bad start, tired under the weight at the end and was easily second best. Musidora quit after going a good six furlongs. Mary Worth and Pearl Finder retired early.

Went to post at 3:30. At post 4 minutes. Start bad. Won driving; second the same. Ringdove was whipped into the lead early, which he retained after a terrific drive through the last furlong. An over-anxious jockey nearly beat him, but he was much the best at the weights and is a good stayer. Nevermore, suddenly improved, waited on the pacemaker and drew up on even terms when a furlong out, held on unexpectedly well and is much better in mud. Christine A. finished with a rush after closing a gap from a bad start. Forward failed to stay, but suffered from a weak finish.

(Continued from First Page.)

and it took the united efforts of three men to hold him in restraint. In his endeavor to break away from his holders he unseated Buchanan, but luckily the rider escaped injury.

The majority of horsemen were of the opinion before the special race that if the pace was slow in the early stages Sombroero would have a great chance to defeat McChesney, while should the latter essay to set a stiff pace the race would be in the nature of a walk-over for the western three-year-old. The race from a time standpoint was very ordinary, the quarter being run in 26 seconds, the half in 50%, the three-quarters in 1:16, the mile in 1:42 and the mile and one-eighth in 1:55. Lucien Appleby, the stable companion of McChesney, carrying 105 pounds ran the distance, in the sixth race, in 1:54 3/4.

P. J. Tomlinson, formerly trainer for E. S. Gardner, but now agent for E. J. Arnold, was among the visitors at Worth yesterday. Mr. Tomlinson returned from New York yesterday, where he had been to superintend the shipping of Gold Heels to Greenville, Ill., where the breeding establishment of Mr. Arnold is situated. While in New York Mr. Tomlinson attended the recent sales of English horses and bought six well bred English mares, which were also shipped to Greenville and will be bred to Gold Heels. In speaking of the latter Mr. Tomlinson stated that he would not be raced any more, but kept at the head of the breeding establishment. The horse, although apparently sound, will be sent down to Chicago Friday to have the firing irons applied to his fore legs by Dr. McKillip.

### MORRIS PARK'S FUTURE.

That the present splendid racing plant at Morris Park is doomed to obliteration is a certainty, but an interview with Mr. A. H. Morris, published in a New York newspaper, seems to assure that racing will be conducted at Morris Park longer than has been anticipated. He is credited with saying:

"The Morris estate has not sold the property out, right to the underground railroad company. The underground company has acquired a mutual interest in the property with the Morris estate, and Morris Park will not be destroyed until it is absolutely necessary. There is no danger of the owners of the property, the Morris estate and the railroad company, asking the Westchester Association to surrender its lease next spring.

"Railroad construction, especially the building of a railroad of the underground variety, in which cutting through solid masses of rock with dynamite, tunneling under hills and such difficult work are features, is slow and tedious work. There is no telling when the two construction gangs to be put at building this important branch to the Manhattan system will reach Morris Park. It may be three or four years. And, until they do get there, Morris Park will not be molested. Every inch of work that can be done before it becomes necessary to demolish the racing plant will be done to the end that Morris Park, with its exceptional advantages as a place for the holding of race meetings, may be preserved.

"I do not know what the plans of the railway company are, but I understand that they will begin the construction of their division above the Harlem at its northern and southern termini—Port Chester and Willis Avenue and 132d or 133d streets.

"The territory included in Morris Park will not become valuable as building property until this railroad is completed and it is made easy of access to the business portion of the city. The delay and inconvenience of getting from the neighborhood of Morris Park, due principally to the impossibility of crossing the Harlem river expeditiously, is what has retarded development up this way.

"All cities expand in directions most easily reached from business centers, and New York has built up most rapidly along the lines of the Harlem Division of the New York Central Railroad. There are comparatively dense populations over Fordham way in portions of Greater New York much farther from Madison Square than Morris Park.

"We all dislike to see Morris Park destroyed as a racing plant, but we cannot help it. The property will become much more valuable as building prop-

erty, after the completion of the trans-Harlem division of the underground system, than as a race-track."

By way of comment on the foregoing Daily America says:

"Metropolitan turf patrons keenly regret the approaching demolition of Morris Park. The site is admirable. It was picked out by a man who had an eye for the beautiful. The Westchester hills which hedge it in are as picturesque as any in the state, and they are covered from early spring until late fall with the richest and greenest vegetation. The grass and trees this fall, owing to the fortnight's rain which fell while the horses were running at Gravesend track, are as fresh and green as in May. Not a leaf has turned so far, and it begins to look as though the Morris Park patrons who have a taste for gorgeous autumnal tints are not going to see any. It will require a lot of frost during the two weeks the current meeting has yet to run to bring out enough purple and gold to make a showing in all this green.

"The Westchester Racing Association has, it is said by persons whose sources of information are excellent, decided to erect its new plant on Hempstead Plain, L. I. Its plans are not yet matured, but it is understood that the new plant will consist of a main track one mile and a furlong around, with a turf course of one mile on the inside, as at Sheepshead Bay, and a mile straightaway. All the gentlemen in the Westchester Association just now will enter the new enterprise and there will be many recruits.

"The Hon. William Collins Whitney, president of the Saratoga Racing Association, who had not taken up racing as a diversion when the Westchester Association was organized to fulfill the mission of the old New York Jockey Club, which in the old days held its meetings at Jerome Park, will take stock. Mr. Whitney's other interests will not prevent his contributing heavily in cash and in devoting much of his time to the new concern. No man interested in racing in this country has a greater capacity for work. Mr. Whitney can do more work and harder work in promoting a racing enterprise than he ever could in managing financial combinations which were to net him handsome profits, because it is not work to him. It is diversion.

"The shifting of the Morris Park meeting to Long Island will be advantageous in many ways. Hempstead Plain is within easy striking distance of Long Island City, and may be reached in half an hour's time by Long Island Railroad specials. The trains will get to it more quickly than they can get to Gravesend, Brighton and Sheepshead Bay, because traffic down that way is comparatively light and the tracks do not run through a built-up section of Greater New York. The only objectionable part of the trip will be the crossing of the East River on the ferry boats. Turf patrons do not mind that, because they have become used to ferry boats these last ten or fifteen years. It beats riding to Willis Avenue and One Hundred and Thirty-third street in stuffed, ill-smelling elevated trains all hollow, anyway. The ferry-boat nuisance will not last forever, either. One of these days, after the Pennsylvania Company has overcome the fat-witted objections of obtuse municipal governments to small details of its East and North River tunnel schemes, we will be able to take a train at Forty-second street and pass under the East River through a white-tiled, electric-lighted subway in three or four minutes.

"Horsemen will find the bunching of the tracks of the metropolitan circuit on Long Island of great convenience, because it will eliminate the expense of transporting stables from Long Island to Westchester; also the danger.

"The officers of the Westchester Association have never had even the remotest notion of renting the new track at Jamaica or the trotting track at Yonkers, where the Empire City Jockey Club held a fairly successful meeting during the autumn of 1900, for future meetings. The stories to that effect, published last week and the week before, were as ridiculous as the reports of the impending destruction of the Morris Park plant were premature. Neither the Jamaica plant nor the track at Yonkers is suitable to the needs of the Westchester Association. They are not nearly elaborate enough. They are mile tracks, admirably equipped for ordinary meetings, but not for great affairs like the sessions at Morris Park. The Empire City track will never be used for a running track. The Jamaica plant will, it is understood, be included in the metropolitan circuit next year with a regular set of dates.

"The transformation of a portion of Hempstead Plain into a big racing plant, the kind the Westchester Association will require, will be comparatively easy and inexpensive. The territory is flat and the soil is sandy. It is a much better sort than the clay and stone of Morris Park. The Morris Park courses require constant attention to be kept in such shape that racers may be worked and raced over them without imperiling joints, tendons and feet. There is no clay and there are no stones in Hempstead Plain. It will not be necessary for the engineers to hew away hills and fill in hollows to make room for stretches and turns.

"When the proposed mile straightaway on Hempstead Plain is built Salvator's record of 1:35 1/4 will be

lowered. We are breeding faster horses these days than Salvator was and his mark would have been beaten long ago if there had been a mile straightaway convenient. Fast as the great Prince Charlie horse was, he was never faster than the black colt Water Color, which bore his owner's colors last season and during the early part of this year.

"Perhaps some flyer bearing the all scarlet of the brothers Morris may beat Salvator's record. The retirement of the Morris is only temporary. When Morris Park is definitely disposed of they will return to the turf with a strong stable."

Winner—Ch. c. by Knight of Ellerslie—Pansy (trained by J. Arthur).  
Went to post at 2:00. At post 5 minutes. Start good. Won driving; second the same. Arvensis, always well up, stood off Capable's bold bid in the last sixteenth gamely and finished strongly. The latter began slowly, but made up ground fast in the last half and finished with a rush. Banter, slightly pocketed in the last eighth, also came with a rush at the end. L'Amada made up ground in the last quarter and bears watching from now on. North Pole faltered when the pinch came. Whiten had enough when entering the last quarter. Vestia showed much early speed.  
Overweights—The Counselor, 3 pounds.  
Arvensis, show, evens. Capable, show, 6 to 5. Banter, show, 3 to 5.

Winner—B. g. by Bruins—Leda (trained by C. T. Boots).  
Went to post at 2:30. Off at once to a fair start. Won easily; second the same. MacGyle was much the best, displayed keen speed throughout and won as his rider pleased. Annie Thompson showed speed and finished strongly. Silurian closed up ground fast in the last quarter, as did Silver Fizz. Eva Rice had no chance after meeting with early entanglement. Queen of Dixiana tired fast in the last eighth struggle. Lacrimae showed scant speed. Light Ball showed a little early speed.  
Scratched—35350 Moabina, 104; 35639 J. V. Kirby, 109.

Winner—B. g. by Leonatus—Lady of the Lake (trained by L. H. Ezell).  
Went to post at 3:00. Off at once to a good start. Won driving to the limit; second easily. Leviathan showed much speed, but Chickadee closed up fast on him in the final sixteenth, causing Birkenruth to ride him out to the last ounce. Chickadee ran a good race and has shown much improvement in her last two starts. Wing Dance tired palpably when the pinch came. Count 'Em Out was never a serious contender. He can do much better. Meme Westell showed some early speed and the same may be said of Learyoyd.  
Scratched—35689 Caliban, 111.  
Leviathan, show, out. Chickadee, show, 2 to 5. Wing Dance, show, 4 to 5.

Went to post at 3:25. Off at once to a perfect start. Won easily; second the same. McChesney was never fully extended and won all the way as his rider pleased. Coburn made a determined effort to close up with Sombbrero in the last quarter, but gave it up by the time the last sixteenth post had been reached.

Winner—Ch. g. by St. Carlo—Santa Cruz (trained by C. E. Dunnell).  
Went to post at 3:50. At post 5 minutes. Start fair. Won driving; second the same. St. Cuthbert steadily closed up on Money Muss in the last sixteenth, and under a powerful ride just got up in time. Money Muss showed his usual turn of speed and finished resolutely. Waswift ran an excellent race. He stood a long stretch drive with gameness and finished strongly. L'Etrene met with early interference and by the time she got into her stride had no chance whatever. Federal showed some early speed. The race should do him much good. The others never showed prominently.  
Scratched—35662 Burnie Buntun, 108; 35664 Vulcan, 107; 34084 Prince of Africa, 102.

Winner—Ch. c. by St. George—Levee (trained by C. E. Dunnell).  
Went to post at 4:20. At post 1 minute. Start fair. Won easily; second the same. Lucien Appleby was given a perfect ride. Buchanan did not make a move with him until entering the last quarter where he took him next to the inside rail. The colt finished with a great burst of speed and easily passed Pink Coat. The latter tired palpably when challenged by the winner. He ran an excellent race, but is nowhere near the good horse he was last year. Homestead outstayed Scarlet Lily for third place in a desperate last sixteenth struggle. The latter showed much speed, but tired in the last eighth. Felix Bard was right there up to the last eighth. Flying Torpedo finished strongly.  
Lucien Appleby, show, out. Pink Coat, show, 1 to 3. Homestead, show, 8 to 5. Scarlet Lily, show, 1 to 2.

Winner—Ch. c. by Knight of Ellerslie—Pansy (trained by J. Arthur).

Went to post at 2:00. At post 5 minutes. Start good. Won easily; second the same. Arvensis, always well up, stood off Capable's bold bid in the last sixteenth gamely and finished strongly. The latter began slowly, but made up ground fast in the last half and finished with a rush. Banter, slightly pocketed in the last eighth, also came with a rush at the end. L'Amada made up ground in the last quarter and bears watching from now on. North Pole faltered when the pinch came. Whiten had enough when entering the last quarter. Vestia showed much early speed.

Overweights—The Counselor, 3 pounds.

Arvensis, show, evens. Capable, show, 6 to 5. Banter, show, 8 to 5.

Winner—B. g. by Brutus—Leda (trained by C. T. Boots).

Went to post at 2:30. Off at once to a fair start. Won easily; second the same. MacGyle was much the best, displayed keen speed throughout and won as his rider pleased. Annie Thompson showed speed and finished strongly. Silurian closed up ground fast in the last quarter, as did Silver Fizz. Eva Rice had no chance after meeting with early entanglement. Queen of Dixiana tried fast in the last eighth struggle. Lacrimae showed scant speed. Light Ball showed a little early speed.

Scratched—35350 Moabina, 104; 35639 J. V. Kirby, 109.

Winner—B. g. by Leonatus—Lady of the Lake (trained by L. H. Ezell).

Went to post at 3:00. Off at once to a good start. Won driving to the limit; second easily. Leviathan showed much speed, but Chickadee closed up on him in the final sixteenth, causing Birkenruth to ride him out to the last ounce. Chickadee ran a good race and has shown much improvement in her last two starts. Wing Dance tired palpably when the pinch came. Count 'Em Out was never a serious contender. He can do much better. Meme Westell showed some early speed and the same may be said of Learold.

Scratched—35689 Caliban, 111.

Leviathan, show, out. Chickadee, show, 2 to 5. Wing Dance, show, 4 to 5.

Coburn made a determined effort to close up with Sombrero in the last quarter, but gave it up by the time the last sixteenth post had been reached.

Winner—Ch. g. by St. Carlo—Santa Cruz (trained by C. E. Durnell).

Went to post at 3:50. At post 5 minutes. Start fair. Won driving; second the same. St. Cuthbert steadily closed up on Money Muss in the last sixteenth, and under a powerful ride just got up in time. Money Muss showed his usual turn of speed and finished resolutely. Waswift ran an excellent race. He stood a long stretch drive with gameness and finished strongly. L'Etrene met with early interference and by the time she got into her stride had no chance whatever. Federal showed some early speed. The race should do him much good. The others never showed prominently.

Scratched—35663 Burnie Buntun, 108; 35661 Vulcan, 107; 34084 Prince of Africa, 102.

St. Cuthbert, show, 8 to 5. Money Muss, show, evens. Waswift, show, 4 to 5.

Winner—Ch. c. by St. George—Lever (trained by C. E. Durnell).

Went to post at 4:20. At post 1 minute. Start fair. Won easily; second the same. Lucien Appleby was given a perfect ride. Buchanan did not make a move with him until entering the last quarter where he took him next to the inside rail. The colt finished with a great burst of speed and easily passed Pink Coat. The latter tired palpably when challenged by the winner. He ran an excellent race, but is nowhere near the good horse he was last year. Homestead outstayed Scarlet Lily for third place in a desperate last sixteenth struggle. The latter showed much speed, but tired in the last eighth. Felix Bard was right there up to the last eighth. Flying Torpedo finished strongly.

Lucien Appleby, show, out. Pink Coat, show, 1 to 3. Homestead, show, 8 to 5. Scarlet Lily, show, 1 to 2.

Beana finished strongly, making up ground in the last quarter. She was much the best of the others. The Caxton ran well but tired fast when the pinch came. King Barleycorn showed much speed for about seven and one-half furlongs. Cherries was right there until a furlong out, where she fell away badly beaten. Malay was never in the hunt at any part of it.

Winner—Ch. c. by Knight of Ellerslie—Pansy (trained by J. Arthur).  
Went to post at 2:00. At post 5 minutes. Start good. Won driving; second the same. Arvensis, always well up, stood off Capable's bold bid in the last sixteenth gamely and finished strongly. The latter began slowly, but made up ground fast in the last half and finished with a rush. Banter, slightly pocketed in the last eighth, also came with a rush at the end. L'Amada made up ground in the last quarter and bears watching from now on. North Pole faltered when the pinch came. Whiten had enough when entering the last quarter. Vestia showed much early speed.  
Overweights—The Counselor, 3 pounds.

Annie Thompson showed speed and finished strongly. Silurian closed up ground fast in the last quarter, as did also Silver Fizz. Eva Rice had no chance after meeting with early entanglement. Queen of Dixiana tired fast in the last eighth struggle. Lacrimae showed scant speed. Light Ball showed a little early speed.

Winner—B. g. by Leonatus—Lady of the Lake (trained by L. H. Ezell).  
Went to post at 3:00. Off at once to a good start. Won driving to the limit; second easily. Leviathan showed much speed, but Chickadee closed up fast on him in the final sixteenth, causing Birkenruth to ride him out to the last ounce. Chickadee ran a good race and has shown much improvement in her last two starts. Wing Dance tired palpably when the pinch came. Count 'Em Out was never a serious contender. He can do much better. Meme Westell showed some early speed and the same may be said of Learyoyd.

Winner—Ch. g. by St. Carlo—Santa Cruz (trained by C. E. Durnell).  
Went to post at 3:50. At post 5 minutes. Start fair. Won driving; second the same. St. Cuthbert steadily closed up on Money Muss in the last sixteenth, and under a powerful ride just got up in time. Money Muss showed his usual turn of speed and finished resolutely. Waswift ran an excellent race. He stood a long stretch drive with gameness and finished strongly. L'Etranne met with early interference and by the time she got into her stride had no chance whatever. Federal showed some early speed. The race should do him much good. The others never showed prominently.

Winner—Ch. c. by St. George—Leevee (trained by C. E. Durnell).  
Went to post at 4:20. At post 1 minute. Start fair. Won easily; second the same. Lucien Appleby was given a perfect ride. Buchanan did not make a move with him until entering the last quarter where he took him next to the inside rail. The colt finished with a great burst of speed and easily passed Pink Coat. The latter tired palpably when challenged by the winner. He ran an excellent race, but is nowhere near the good horse he was last year. Homestead outstayed Scarlet Lily for third place in a desperate last sixteenth struggle. The latter showed much speed, but tired in the last eighth. Felix Bard was right there up to the last eighth. Flying Torpedo finished strongly.

Beana finished strongly, making up ground in the last quarter. She was much the best of the others. The Caxton ran well but tired fast when the pinch came. King Barleycorn showed much speed for about seven and one-half furlongs. Cherries was right there until a furlong out, where she fell away badly beaten. It was a brilliant performance. Maggie Felix ran an exceptionally good race, endured a killing pace and hung on gamely. Icicle set a fast pace for seven furlongs, but tired in the run home. Golden Glitter and Bill Massie were inadequately handled. Schwalbe has seemingly gone off in form.

Rockwater trailed the slow early pace, raced around the field on both turns, finished very game and true and was best. Oom Paul's was a splendid effort and he sustained his superior speed unexpectedly well. Cameron, under a pull for the first half, failed to come on in the last quarter and was evidently short. He appears to be in first-class shape. Par Excellence went well throughout. Slipthrift favors soft going, sulked after forcing the pace to the stretch and finished with his mouth wide open.
